

Think St. Amant is an ordinary long term care facility?

THINK AGAIN!

Join our team today.

NEW PROGRAM

Complex Respiratory Care Program • this is a brand new service; developed in partnership with the Children's Hospital Pediatric Special Care Unit, and scheduled to open in November 2009. A variety of EFTs for Day and Day/Night rotating shifts are available for the following classifications:

- Licensed Practical Nurses (LPN) – 12 hour day shifts
- Registered Nurses (RN II) – 12 hour Day/Night rotating shifts
- Respiratory Therapists (RT) – 12 hour Day/Night rotating shifts
- Resident Assistants (Health Care Aides) – 12 hour Day/Night rotating shifts

Chronic Health Care Program • this is a well established and specialized service; supporting children and adults with chronic, complex health care support requirements. We are also seeking applicants for a variety of EFT positions (7.75 hour shifts) in the following classifications:

- Registered Nurse (RN II)
- Licensed Practical Nurses (LPN)
- Resident Assistants (Health Care Aides)

St. Amant is a dynamic and growing organization, serving Manitobans with developmental disabilities. We employ over 1,300 staff in a variety of health care, residential and outreach programs. River Road Place is our accredited, 212 bed residential facility that utilizes an interdisciplinary team approach to serve children and adults with chronic, complex health care needs.

Further details about these opportunities can be found on our website at
