INTRODUCTION

We are very pleased to offer the **Manitoba 14th Annual Travel Health Conference**, with an overview in travel medicine, immunizations and infectious diseases, as well as the most current information on Canadian travel health & immunization guidelines. We are very fortunate to have access to speakers of international, national and local acclaim who are talented and knowledgeable in the field of travel medicine. This conference is intended for all those who practice or are interested in the discipline of Travel Medicine and Infectious Diseases; in particular travel medicine health care practitioners, medical practitioners, nurses, nurse practitioners, pharmacists, and students who practice travel medicine within fields of primary care, occupational medicine, Infectious Diseases and Tropical Medicine, emergency medicine as well as public health medicine.

LEARNING OBJECTIVES

At the conclusion of the Manitoba 14th Annual Travel Health Conference, participants will be able to:

- ➔ Apply knowledge gained through informative & relevant education, to clients, for the prevention and management of travel acquired conditions and illnesses, including emerging infections to promote a safe & healthy travel experience
- ➔ Engage in effective communication and collaboration between colleagues and organizations to exchange information on current and practical applications in the field of travel medicine

ACCREDITATION

The Manitoba Travel Health Conference meets the accreditation criteria for the:

- **College of Pharmacists of Manitoba:** This program has been accredited for a maximum of 9.0 CEU by the College of Pharmacists of Manitoba for pharmacists in Manitoba. CPhM File No. 17010M.
