1 pound fish fillets, fresh or frozen (and thawed)
2 tablespoons margarine
Mrs. Dash® (or McCormick's No Salt Added®) Pepper
1 medium onion thinly sliced
1 lemon, cut into wedges

**Directions:**
Preheat outdoor grill for medium heat
On 4 large buttered squares of aluminum foil, place equal amounts of fish (about 3oz per foil packet).
Sprinkle each serving of fish with Mrs. Dash (season well) and pepper.
Top each serving with onion slices and lemon wedge (squeeze lemon wedge over fish fillet first).
Tightly wrap fillets in foil (to prevent leaking) and place on grill.
Grill 5 to 7 minutes on each side or until fish flakes with fork.

**Note:** Thick fish fillets may take longer to cook.
Makes 4 servings
Nutrients per 1 foil package: 3 meat servings
Grilled Corn on the Cob

Ingredients:
4 Corn on the cob with husks on
Margarine,
pepper to taste
4 squares of aluminum foil, large enough to wrap individual corn on the cobs

Preheat outdoor grill for high heat (400F). Peel back corn husks and remove silk (the hair on the corn). Place margarine and pepper on each piece of corn. Close husks.
Wrap each ear of corn tightly in aluminum foil; make sure edges are sealed tightly to prevent leaking. Place on the prepared grill. Cook approximately 25 to 30 minutes until corn is tender, turning occasionally to prevent burning.

This recipe can also be done in an oven using the above cooking directions.

Makes 4 servings
Nutrients per 1 whole corn on the cob: 2 medium potassium vegetable

Be careful - it is very hot when husking corn
Herbed Chicken

- ½ cup flour
- 1 egg
- 1 tsp sugar or Splenda®
