**Kim Warner** (BA, MSW, CACE, CHE), Director, Organization and Staff

Development with over 15 years experience in staff development, training and organizational development. The department includes the areas of organizational development, management and leadership development, staff development, and workplace wellness. The department reports to WRHA Human Resources.

**Charlene Currie**, (BN, MBA), Manager of Organization and Staff Development.

With more than 10 years in the health sector and experience in management, planning and policy analysis, Charlene provides leadership for Organizational Development services, the Leadership Coaching project and provides consultation to Community Health Services regarding education services.

**Rilla Edwards**, (B.A., M. Admin.), Manager of Organization and Staff Development.

With more than 30 years experience as an educator, human resource manager and organizational change facilitator in the health, government and community sectors, Rilla provides leadership for the WRHA/RRC Collaborative Management program, administrative operations and provides consultation to HSC regarding non-clinical education services.

**Kristi Anaka**, Human Resource Assistant is responsible for promotion, scheduling and providing support for all wound care education sessions. Kristi also organizes meetings for various wound care committees and updates the "Regional Wound Care Recommendations" manual.

**Louise Armstrong**, Human Resources Assistant brings excellent organization and communication skills as she provides administrative support to the Manager of OSD, OD Consultants and the department as a whole. Primary responsibilities are administration, coordination of Agreements for Excellence activities and WRHA StAR Program.

**Lisa Bircham**, (CACE) Organization Development Consultant. Lisa has over 20 years experience in HR consulting and training in both the public and private sectors. Lisa leads the Regional Management & Leadership Development program, develops and delivers workshops, provides organizational development services, and is qualified to facilitate Myers Briggs.

**Brenda Ealing**, Database Assistant, with over 12 years experience within this department. Brenda provides ongoing development and technical resources for the departmental databases, on line registration and regional reporting on OSD services. Brenda maintains the OSD website and serves as an HSPnet Coordinator.

**Brenda Hamer**, Human Resource Assistant is responsible for organizing workshops and prepares the OSD Workshops and Services Brochure. Supports administration and coordination of general orientation.

**Cheryl Harder** (B.ED) Staff Development Consultant has 20 years experience in education, training, and course development. She has diverse experience working in computer training, conducting training sessions, creating course material and developing training strategies and plans. Cheryl provides project management leadership for workshops and services, and facilitates workshops and organizational development interventions.

**Susan Hologroski**, (BA, BRS) Staff Development Coordinator has extensive training in one to one peer support, workshop facilitation and wellness management in both the public and private sectors. Susan coordinates general orientation services and oversees Student Placement Agreements for the Region.

**Alenka Howell**, Program Support Assistant, with 25 years of experience in the health care field, Alenka coordinates the EAP Program, WRHA StAR Program, WRHA/RRC Health Services Management Program, the Workplace Wellness Check-up, as well other regional educational/wellness initiatives.

**Jennifer Kilimnik** (BAH and HR Mgmt), Organizational Development Consultant. With diverse work experience in counseling, administration, finance, and international conciliation, Jennifer provides workshop development and facilitation, organizational development services, and is qualified to facilitate Myers Briggs.

**Sandi Mitchell**, (RN, BN.) Organizational Development Consultant. Sandi offers a 30 year career encompassing 20 years of private counselling and consulting practice, experience as a Public Health and Home Care nurse, human resource management, critical incident stress management, and organizational development. Sandi leads the Leadership Coaching project, provides organizational development services, and is qualified to facilitate Myers Briggs.

**Sherry Mooney** (MSW, RSW), Organization Development Consultant. With over 30 years experience in health care and management services, Sherry leads the Peer Coach Program and Workplace Wellness Check-up. She develops and delivers workshops and provides organizational development services, and is a certified Master trainer for Agreements for Excellence.

**Dana Whyte**, Administrative Assistant. With over 20 years experience in the department, Dana provides administrative support to the Director, Organization & Staff Development, administers departmental projects, coordinates administrative projects, and supports general orientation.
