# TRANSFORM CONFERENCE

February 2017 | Winnipeg

## Event Highlights

Education and inspiration collide in this full-day leadership event for healthcare providers. Don't miss this dynamic conference featuring fast-paced keynote addresses from several of Manitoba's most innovative and influential care providers, coaches and industry leaders.

Experience a day of ideas, insights and inspiration, hearing the stories and successes of change makers and thought leaders. Explore new perspectives, develop leadership and communication skills and reconnect to the value and meaning behind the role of a healthcare provider.

## Event Features

- Masterful keynotes by several healthcare thought leaders
- Exhibition Gallery of over 60 health-centric organizations
- Networking opportunities with 600 colleagues and experts

## Featured Keynote: Tim Hague Sr.

Winner of the Amazing Race Canada Season #1

*Diagnosed with Young Onset Parkinson's Disease in February 2011, Tim overcame the odds, becoming the inaugural winner of The Amazing Race Canada. Now an active advocate for people with Parkinson's, Tim shares his story of strength, courage and perseverance.*

## Who Should Attend

Any care provider ready to reach for a higher standard by focusing on self-development as an act of leadership development should attend. Multi-disciplinary care providers such as nurses, physicians, educators, therapists, pharmacists, and any other health service provider will enjoy and benefit from attending this conference.
