

The following book chapter can be referenced for additional information specific to safe patient handling in long-term care facilities. You can also contact the Occupational and Environmental Safety and Health Department at 204-926-1018 and ask to speak to a Musculoskeletal Injury Prevention Specialist for further information and/or assistance.

Audrey , N., Motacki, K., & Menzel, N. (2009). Nursing Home. *The illustrated guide to safe patient handling and movement* (pp. 147-168). New York: Springer Publishing Company.
